## HARVESTERS

Dear friend,

The Harvesters is a support group of the Second Harvest Food Bank of Orange County, whose mission is to eliminate hunger in Orange County.

Please help us in our drive to end hunger and join the Harvesters in supporting the Food Bank, by participating in our Nineteenth Annual Luncheon and Fashion Show. This year's event will be produced and sponsored by South Coast Plaza and will be held on Thursday, October 6th, 2011 at Big Canyon Country Club in Newport Beach.

Your generous donation of an item for our silent auction would be greatly appreciated. Recognition of donors and underwriters will appear in major publications and newspapers as well as mailings to over 5,000 of the county's most prominent families. We will need to collect your donation by September 9th in order to meet publication deadlines.

The facts are staggering; over 615,000 people in Orange County face the threat of going to bed hungry sometime each month, an overwhelming 21% of our Orange County population! Children make up 38% of those facing hunger each day. People in need include the working poor, children, the disabled, the homeless and elderly. Rising rents and increased cost of living expenses have pushed many of these people and families over the edge.

The Second Harvest Food Bank of Orange County is committed to fighting hunger. In fact, **94.6 cents of every dollar** is passed on through services and products to people in need. **For every dollar donated, the Food Bank can provide 3 meals to the hungry in Orange County.** The proceeds donated by individuals and organizations like you, are used to distribute food that would otherwise be thrown away from grocery stores, food manufacturers, government surplus and food drives.

For additional information on the Second Harvest Food Bank or the Harvesters, please call us directly at the phone numbers listed below. Thank you for your consideration, we appreciate your support.

Sincerely Yours,

Lori Anderson
