FOR IMMEDIATE RELEASE

Second Harvest kicks off new school year with Kids Cafe program

ORANGE COUNTY – Sept. 9, 2011 – Second Harvest Food Bank of Orange County is once again launching its Kids Cafe program, sponsored by the California Department of Education, at 36 sites throughout the county. Kids Cafe offers nutritious afterschool snacks to 1,700 children who may not have enough to eat at home, and focuses on nutrition education to help children make healthy meal decisions in the future.

This fall, thousands of children are returning to school at a time when household budgets continue to tighten. Many hardworking families simply can't make ends meet anymore, and children are affected disproportionately when meals are hard to come by both at home and during the school day. It is currently estimated that 21% of Orange County residents is at-risk of hunger. For children, the number approaches 25%. Childhood hunger can have a negative long-term impact on a child's physical and cognitive development, ultimately impairing their productivity and economic potential.

Providing reliable access to nutrition for our most vulnerable neighbors is our goal at Second Harvest Food Bank of Orange County. Through the Kids Cafe program, free after-school snacks will be provided to all children who are 18 years of age and younger at the sites listed on the following page.
