A HEALTHIER  
ORANGE COUNTY

# Dear Friends,

Thank you for supporting Harvesters 31st Annual Fashion Show & Luncheon. We are humbled to recognize Second Harvest Food Bank's (SHFB's) 40th year of service in our community and Harvesters' 31st year of partnership in feeding the food insecure in Orange County, together. As we all know, our partnership is nothing without the 50 Harvesters members who volunteer day in and day out to make our shared mission a reality. We could not be more grateful for the work they do to provide dignified, equitable and consistent access to nourishing foods for all members of our community.

We also would not be anything without you. It's directly because of your generosity that

Harvesters were able to, in 2022 alone, donate over \$1.6 million to Second Harvest Food Bank. That is a staggering number. And it doesn't stop there. Second Harvest Food Bank's volunteers donate hundreds of hours to our operations to help feed over 400,000 individuals every single month. In partnership with over 300 distribution centers, Second Harvest is able to provide millions of pounds

of nutritious food to schools, houses of worship, after-school programs, senior centers, colleges and universities, soup kitchens and transitional housing facilities. It's inspiring to witness the impact of our collective work.

We are stronger together and there is no end to the good that we can do. We are so grateful for your continued support over the years and, as we see new names and old year after year, there is nothing we can say that means more than thank you.

**Thank you to our underwriters, partners, donors, sponsors and Harvesters members, and to all supporters that are part of our journey to feed, nourish and grow a healthier Orange County.** We couldn't—and wouldn't want to be—here without you. As they say, the more grateful you are, the more beauty you see and, so far, 2023 is looking more magnificent because of you.

With so very much gratitude,

## THANK YOU TO Our Founders

It started 31 years ago as an idea. In 1992, Jill Johnson-Tucker and Jennifer Van Bergh saw SHFB needed additional funding, so they used their own philanthropic savvy to organize a fashion show, secure a local venue and invite friends to the 1st Annual Harvesters event. The legacy of giving Jill and Jennifer started continues today with Harvesters members, donors and supporters.
