DISTRIBUTING KINDNESS

As November unfolds, we extend our heartfelt gratitude to each and every one of you for your unwavering commitment to our cause. In this season of giving, your selfless contributions have illuminated the lives of many, spreading warmth and hope. As we approach Thanksgiving, we're reminded of the profound impact you've made, enriching our community with your kindness and compassion.

Your dedication and tireless efforts have truly embodied the spirit of this season. Thank you for being the shining stars that light our path toward a better world. May your November be filled with the same love and positivity you've shared with us.

Thanksgiving

FRESH FROM THE FARM

With over 1000 volunteers visit the farm in October, we made a big impact! Harvesting romaine lettuce, butternut squash, and acorn squash for the first time expanded our reach. You also helped pick the last of the summer watermelon and bell pepper fields. Your dedication is changing lives and making a real difference. Thank you for being part of our incredible team.

VIRTUAL FOOD DRIVE

Skip the store with a Virtual Food Drive! This is an easy and convenient web-based tool that allows everyone to participate, regardless of location. Virtual Food Drive donations support Second Harvest's efforts including bulk food purchasing, operations, programming, and more.
