

What is Second Harvest and why hungry Orange County residents need your help now.

At Second Harvest Food Bank, our vision is an Orange County with food and nutritional security for all. In collaboration with almost 300 partners and pantries, we provide dignified, equitable and consistent access to nutritious food, creating a foundation for community health. Last fiscal year, we distributed 36.3 million pounds of food to an average of 393,000 people per month per month.

The need in Orange County remains above pre-pandemic levels. Rising prices on food and gas are squeezing food budgets more than ever.

What is Food From The Bar?

Food From The Bar is an annual campaign driven by the Orange County legal community. This friendly competition helps raise awareness and provide critically needed meals to food-insecure children, families and seniors in Orange County.

The Impact of Food From The Bar

Since its start in 2017, Food From The Bar has raised over \$410,000. These funds have provided the equivalent of 250,000 dozen eggs or nearly 10 truckloads.

Our 8th annual campaign will run from June 1-30, 2024. A celebration reception will be held for all participants in July.
