### **DISTRIBUTING KINDNESS**

We'd like to extend a heartfelt thank you to our extraordinary volunteers who processed 176,945 pounds of food for our community last month! The remarkable dedication of our volunteers changes lives. We appreciate you all and your big hearts!

### **FRESH FROM THE FARM**

This month is the start of our broccolini harvest! We deeply appreciate the 400 volunteers who joined us, undeterred by the weather this past month. The fields of Harvest Solutions Farm are abundant with broccoli, cauliflower, and cabbage.

Did you see Harvest Solutions Farm on Good Day LA last month? The TV segment featured Michelin Star Chef Tony Esnault of Knife Pleat Restaurant cooking a delectable winter soup using crops grown at Harvest Solutions Farm
