MARCH 2024

PARK-IT MARKET 2 : "GRANNY'S MARKET"

Join us every weekday morning to help load Park-It Market 2, our refrigerated mobile market, with items such as fresh produce, non-perishable goods and other supplies needed for the distribution.

With up to 10 locations per week, Park-It Market 2 serves as a weekly resource for individuals and families who may not have access to travel to a grocery store on their own, or may live in an area where the nearest store is not within walking distance.

Event registrations are available on our calendar, and truck loading begins at 7:30am.

JOKE OF THE MONTH:

WHAT DID ONE PLANT SAY TO THE OTHER
ABOUT THE LACK OF RAIN?
I GUESS WE'LL HAVE TO MAKE DEW.

NEW VOLUNTEER SHIFTS!!

The Volunteer Department has been going through our own version of "March Madness", creating new shifts for the recent Natural Products Expo West, Produce Bin Cleaning. Plus, after hearing many excited inquiries, we've added additional late Thursday and Saturday morning shifts in the Distribution Center!

Please check our calendar for availability. Some shifts may be capped at an even lower capacity, so make sure to sign up as soon as you can! We appreciate your enthusiasm and continued support in our mission to provide dignified, equitable and consistent access to nutritious food for our community!

NEW REGISTRATION SITE COMING SOON!!

We will have an exciting new volunteer management software for event registrations coming in the next few months!

Be on the lookout for more information on creating your new **VOMO** account!

Streamlining the registration and fostering better engagement with our volunteers will help build lasting relationships between Second Harvest and the community for years to come!
