HARVESTERS

# TO A SEASON OF *Style and Sustenance*

Thank you for supporting Harvesters 32nd Annual Fashion Show & Luncheon. We're elated at the opportunity to share another year of partnership with Second Harvest Food Bank in service to feeding those facing food insecurity in Orange County. As we all know, our partnership would be nothing without the 50 Harvesters members tirelessly volunteering to bring our vision into reality. We're eternally grateful for their dedication to providing fresh, nourishing food to those who need it.

None of this would be possible without you. Your generosity and kindness drive Harvesters forward. In 2023, Harvesters donated \$1.8 million to Second Harvest. This incredible impact motivates us to continue doing this vital work. Every month Second Harvest Food Bank's volunteers donate hundreds of hours to efforts that feed over 400,000 children, families and older adults, among other individuals

of all ages. In partnership with our 300 partners, Second Harvest is able to provide millions of pounds of fresh, nutritious food to schools, houses of worship, after-school programs, senior centers, colleges, universities, soup kitchens and transitional housing facilities. We are in awe of the impact our collective efforts have brought.

These figures prove that when we work together, we can nourish our neighbors and serve our communities well. We are eternally grateful for your unwavering support. As we continue to bring nourishment to our neighbors, please know that we are grateful for all that you do.

We extend a warm and abundant thank you to our members, underwriters, partners, donors, sponsors and all supporters who make this journey possible. You are longstanding proof that fashion does feed Orange County.

## THANK YOU TO *Our Founders*

It started 32 years ago as an idea. In 1992, Jill Johnson-Tucker and Jennifer Van Bergh saw SHFB needed additional funding, so they used their own philanthropic savvy to organize a fashion show, secure a local venue and invite friends to the inaugural Harvesters Fashion Show & Luncheon. The legacy of giving that Jill and Jennifer started continues today with Harvesters members, donors and supporters.

\*City National Bank matching campaign

Peppers grown in Irvine at Harvest Solutions Farm, a 40-acre farm program of Second Harvest Food Bank of Orange County.
