

FASHION AND

FLOURISHING FUTURES

IN ORANGE COUNTY

DEAR FRIENDS,

Thank you for supporting the 33rd Annual Harvesters Fashion Show & Luncheon. We're proud to continue our longstanding partnership with Second Harvest Food Bank of Orange County, working together to nourish our neighbors throughout Orange County.

This year's theme—Fashion & Flourishing Futures—captures the spirit of our collective mission. Like a lotus blooming through murky waters, we rise to meet the growing needs of our community, offering nourishment, dignity, and hope to those we serve. Right now, too many families are being stretched thin. With the cost of rent, groceries, and everyday essentials continuing to climb, more people than ever are turning to Second Harvest for help. The need is real—and it's rising.

Since 1992, Harvesters has raised nearly \$20 million for Second Harvest Food Bank, including close to \$1.6 million in 2024. Thanks to your generosity, our impact continues to grow. Every month, Second Harvest and its volunteers work alongside more than 286 community partners to distribute nutritious food to an average of 442,000 people—including children, families, seniors, and individuals of all ages—through schools, faith groups, after-school programs, senior centers, and more.

These are more than mere statistics. They're a testament to what's possible when people come together with purpose and compassion. Whether

you're a member, donor, sponsor, or supporter, your involvement helps move our mission forward in a year of increasing need. And thank you to each of our 50 Harvesters members—your generous gift of time and energy is what makes this incredible event possible. Your commitment to providing fresh and healthy food where it's needed most is an inspiration to everything we do in this year of increasing need.

From all of us at Harvesters, thank you. You are proof that we can still ensure our future is flourishing.

THANK YOU TO Our Founders

It started 33 years ago as an idea. In 1992, Jill Johnson-Tucker and Jennifer Van Bergh recognized that SHFB needed additional funding, so they used their philanthropic savvy to organize a fashion show, secure a local venue, and invite friends to the first annual Harvesters Fashion Show & Luncheon. The legacy of giving that Jill and Jennifer began continues today through the generosity of Harvesters members, donors, and supporters.
